Who are the Bayou Bell Ringers? They are physically and/or mentally challenged individuals who have learned to play hand bells equal to their peers. God gave the Bell Ringers special gifts as well as handicaps. As far as hand bells are concerned, they no longer have a disability, but the ability to perform and show that they are people first. We also have very special young people who give of their time twice a week plus performances to help the Bell Ringers anyway they can, including ringing bells. They are called Bell Keepers. Our members range from age 12 to 77. We have members from Raceland to Golden Meadow and also from Bourg. We are open to anyone with a disability and we certainly need more young people to help. If you know of someone who might be interested, please contact any one of us for more information. Sign up for reminders for upcoming performances at the following email address. We consider all requests for performances. bayoubellringers-subscribe@yahoogroups.com
